

Anti-Bullying Policy

Statement of Intent

We are committed to providing a caring, friendly and safe Christian community for all of our pupils so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable in our schools. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We expect anyone who knows that bullying is happening will tell an appropriate adult.

What is bullying?

Bullying involves dominance of one person by another, or a group of others, is pre-meditated and usually forms a pattern of behaviour. Bullying is therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult for victims to defend themselves against.

Bullying can be:

Emotional	Being unfriendly, excluding, tormenting (e.g. hiding possessions, threatening gestures)
Physical	Pushing, kicking, hitting, punching or any use of violence
Racist	Racial taunts, graffiti, gestures
Sexual	Unwanted physical contact or sexually abusive comments
Homophobic, Transphobic & biphobic	Bullying motivated by prejudice against lesbian, gay, bisexual, trans or non-binary (LGBT) people
Verbal	Name-calling, sarcasm, spreading rumours, teasing
Indirect	Spreading nasty stories about someone, exclusion from social groups, being made the subject of malicious rumours, sending malicious e-mails or text messages on mobile phones/ social networking sites (please refer to separate cyber bullying policy)

It is important that children, staff and parents all have a clear understanding of what bullying is. This will prevent bullying being mistaken for children falling out with each other or incidents where a child has been hurtful or unkind towards another child. These incidents will be dealt with through the school's behaviour policy.

Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Victims often become bullies so it is important that pupils who are bullying need to learn different ways of behaving. Our schools have a responsibility to respond promptly and effectively to issues of bullying through its promotion of the Christian Value of justice.

As Christian schools, we strongly promote the value of forgiveness through our anti-bullying policy. If bullying has taken place, it is not our intention to label someone as a 'bully'. Children will make mistakes in life and it is our role to help them to learn from these and make good decisions moving forward by promoting the school's Christian Values. Telling children to keep away from or stay away from other children is not a long term solution when teaching about effective relationships. Our schools encourage learning to live well together and disagreeing well together.

Objectives of this Policy

- For all governors, teaching and non-teaching staff, pupils and parents to have an understanding of what bullying is.
- For all governors, teaching and non-teaching staff to know what the school policy is on bullying and follow it when bullying is reported.

Cyber-bullying

Technology is becoming more widely used as a vehicle for bullying. Our schools recognise this and have written a separate policy. Please read the e-Safety Policy for further details.

Curriculum

The message that bullying is not acceptable is re-iterated at certain times within our curriculum, where appropriate. For example:

- Within PSHCE lessons/ discussions
- During circle time
- Throughout "Anti-Bullying Week"
- Within the Christian Value themes that we promote through our collective worship.

Outcomes
