Our Vision Into Practice

The Revised Bloom's Taxonomy

⇒ To provide high-quality learning opportunities.

⇒ To develop high-order thinking.

Reading Stimulus

⇒ Reading is the gateway to all learning.

⇒ Research suggests that the more words you know, the smarter you are!

Blooms Taxonomy - Revised

- Creating
- Evaluating
- Analyzing
- Applying
- Understanding
- Remembering

The Appropriate use of ICT

⇒ To develop inquisitive learners.

⇒ To prepare learners for their future working lives.

Metacognition

⇒ To create independent and inquisitive learners.

The Context Plan

The Plan

⇒ To satisfy the requirements of our school's and the National Curriculum.

Knowledge/Skills Progression

⇒ To ensure a progressive curriculum across all subjects.
